My Dear Sir

I understand that you are present on duty at Shivaganga, Shravan Belgola & Channapatna during the visit of His Highness the Maharaja to those places, I send you herewith a programme of

our tour, and, with
reference to the ceremonies
to be performed at Shiva
-ganga, I wish to point
out that this Highness
will not make any camp
on the hill, but will
pay merely a visit of
a few hours. He writes
to-day from Jamkhan
to Kidwanda on Nov.^r
arriving at the latter

place about 9. AM.
Thence we ride to the foot
of the hill, a walk up.
The Dep. Commissioner is
pitching camp for
His Highness & the party on
the summit. In order
to reach Jantar before
dark, I calculate that
we must leave Shivaganga
about 2.30 P.M. after
breakfast It seems to
me therefore that it will
be difficult for His Highness

to get through all that is set down in the Memo: drawn up by yourself & forwarded to me by the Acting Dewan. Perhaps you will be able to meet me in Bangalore before we start on 26th. & let me know whether the ceremonies can be curtailed in view of the shortness of this Highness visit.

Yours truly

My dear Mr. Thambu Chetty

Thanks for your letter of yesterday's date, with the memo: prepared by the Nagri Superintendent as to the procedure to be observed at Shivaganga Melkote & Shravanbelagula. This supplies just the information I wanted

I note that you will
let me hear further
about the Kánikas etc: to
be presented at Shivaganga
after obtaining their Highness
the Maharani-Regent's
orders on the subject.
It will certainly be convenient
if the Inspector Superintendent
be present at each of the
three places during this
Highness the Maharanis

visit, to and I shall
leave it to him to
provide all stores, servants
etc: assuming that
he will receive instructions
from you in the matter,
I will now write to him
demi-officially about
the details of this shipment'
movements. As we
shall spend only a few
hours on the Nivagonga
Hill, it will be better

difficulty to do all that
he is mentioned in
the Memo.

His Highness the Maharaja's visit
to Melkote.
(Arrival 4 P.M. on 12th November 1900)

An Ikkakabal from the Temple will be waiting near the Traveller's Bungalow which is about a mile distant from the Temple. The Murrai Superintendent and some local officers will be with the Ikkakabal party.

With regard to the places of visit:—

It is better to proceed straight to the Sri Narayanaswami temple. A room

in the outer Verandah of the Temple will be reserved for changing dress. When His Highness goes inside the temple, Mr. Fraser, Tutor and Governor, may visit the Library of Sanskrit Works located in the Temple Verandah. From the temple, His Highness will go to the Library and thence to the Chamarajendra Vasantodyana, a flower garden adjacent to the temple, in the central mantap of which, Chelva-royaswami - the processional deity - will be seated. Here, His Highness will pay homage to God, presenting Peethambaras, Kanikes &c. (As to the history of this garden, please see para 9 of the printed paper attached).

The place to be next visited is the Kalyáni or the holy pond of the temple.

All these will be over within 5 P.M.

His Highness will then go up the hill which is near the Kalyáni and visit the Sri Narasimhaswami temple on the summit. There are about 500 steps to reach the summit. According to the traditional custom, there will be breaking of cocoanuts on each step as His Highness ascends them. The top of the hill commands a view of the entire place and its neighbourhood and the same will be most interesting and enjoyable.

When returning, there will be.

illumination at the Kalyáni and
after witnessing this, His Highness
may proceed to the Traveller's Bungalow.

Sivaganga.

The Swami of the matt is now at Goribidnur, but hearing that His Highness the Maharaja will be going to Sivaganga on the 3rd Proximo the Swami is hastening back to Sivaganga and will be there by the 2nd Proximo.

It is not known at what hour of the day H.H. the Maharaja will reach Sivaganga and if H.H. will halt in the place for the night. However, the Swami has arranged for His Highness's accommodation in the matt premises.

The following are the customary ceremonials adopted on the occasion of H.H. the Maharaja's visit to this matt:-

The Swami of the matt will send the usual "Ithakabal" and the matt's Silver Palanquin to await H.H's arrival at a spot about a mile distant from Sivaganga. On H.Hs

arrival there he will be presented the usual honors from the Matt and the Temple & will be requested to get into the Palanquin and so in procession to the Matt.

On alighting at the matt H.H. will pay his first visit to the Swami and will then be conducted to the portion of the matt fitted up for his accommodation. After bath H.H. will go to the Temples of Sri Sangadhareswara Swami & Swarnamba where Special worship will be performed and H.H. will offer the usual Kanikes. H.H. will then perform Padapuja to the Swami and will receive Theertha and Prasada from him.

Again, before leaving Sivaganga H.H. will go once more and pay a visit to the Swami and receive Phala Manthrakshate from him.

Sravanabelagola

From the Matt here is a Jain Mathuthsow. On reaching the place H.H. will go up the Dodda Betta to see the Colossal idol of Gomateswara and then pay a visit to the Swami at the Matt.

In both these matts there will be presentations of Shawls on both sides

It is not usual for the Swami of the matt to pay

a return visit to H.H. the Maharaja.

Melkote Temple

There are no special ceremonials to be observed here. H.H. after his usual bath will simply go to the Temple for the purpose of worship and there present Kanike to the Temple.

My dear Sir,

In the programme first sent relating to H.H's visit to Sivaganga, it was stated that the place where the Istha Kabal would wait for H.H. was about a mile distant from the Matt and that H.H. would get into the Palanquin, not at this place, but further on at the entrance of the street wherein the Matt is situated. But, when I had been to Sivaganga a couple of days ago I found that the Pandal which is being erected

for the Sthakabal was
only about a furlong
from the entrance of
the matt Street. The
Swami of the matt therefore
desires that instead of H.H.
again and again mounting
and dismounting, he may
once for all, get into the
Palanquin at the Sthakabal
Pandal itself. If this
be approved, arrangements
will be made accordingly.
A portion of the matt
has been reserved and
screened off for H.H. to
change dress before
visiting the Swami —

Dancing girls

the Sathakabal party but I however intend doing away with the attendance of these detestable creatures both at Siva-Ganga and at Melkote. I am sure you will also approve of this measure.

The shawls, Peethámbaras &c to be presented at Sivaganga, Melkote and Sravanabelagola have all been received yesterday from the Palace. I sending today the intended for the Priest at Sravanabelagola to the Dy Comm. Hassan District.

With regard cash presents, I Mr Raghavendra Rao will have them

with him under your instructions.

The Sivaganga Swami intends presenting to H.H. a printed paper containing Sanskrit-Verses conveying benedictions. You said that, time permitting, you would also pay a visit to the Swami before leaving the place. If H.H. could also be there with you, this paper might be presented to him at that time If not, it will have to be done during his first visit.

The detailed programme relating to the Melkote visit will be sent later on.

Yours Sincerely

My dear Sir,

You know that during his Provincial Tour, H.H. will arrive at Sravanabelagola at 10 A.M. on the 9th Nov. '00 and leave the place on the 11th. During his stay there he will pay a visit to the Gomateswara temple and also to the Jain Matt there. It has been arranged to pay a sum of Rs 100 in Cash to Gomateswara temple for worship and to present a pair of Shawls to the Priest Charukeerti Pandithacharya when

(17)

H.H. visits them. The money to be presented will be given you by Mr. Fraser, the Tutor & Govt. to H.H. As for the Shawl, I have despatched the same today to your address in a Separate Registered Parcel I request you will kindly take the Shawl with you when you go to Ravanabelagola and see to its being presented to the Priest.

I write this under instructions from Her Highness the Maharani Regent.

Yours Sincerely

No. 7232-8—Mis. 1137, dated Bangalore, 5th November 1901.

Order—His Highness the Maharaja of Mysore accompanied by his Tutor and Governor Mr. Fraser, I. C. S., will start on a tour in the State on the 18th instant. A copy of the programme of His Highness' tour is forwarded for information.

2. The attention of Deputy Commissioners and other officers is invited to Government Orders Nos. 185 of 17th October 1879 and 147 of 4th November 1885 in which detailed instructions have been given for their guidance on occasions of this kind. His Highness the Maharaja is desirous that his tours should not be made an occasion for any vexatious pecuniary loss to the people. The Government rely upon Deputy Commissioners taking the greatest care that as little inconvenience and trouble as possible is occasioned to the people during the tour, and that no laxity is permitted which may defeat this object.

3. It is not intended that the loyal manifestations and tangible expressions of welcome which the people deem it a duty and a privilege to exhibit towards their Maharaja should in any manner be checked or discouraged. But Deputy Commissioners can easily see that these demonstrations are kept within reasonable bounds and managed so as not to become extravagant or oppressive to people and that forced contributions of any kind are not levied.

4 The Deputy Commissioners are of course responsible that no arrangements are neglected for securing the comfort of His Highness while in their Districts, and that he is received in a befitting manner everywhere.

5. The following instructions are issued for the guidance of all concerned :—

1. The Deputy Commissioners will meet His Highness the Maharaja on the border of their Districts and will accompany the camp throughout the District. The other Departmental Heads in the District will also wait upon His Highness during his stay in the District so far as they can do so without prejudice to their official duties and furnish all information on any subject which His Highness may want.
2. The people may be allowed to show their loyalty by the erection of arches, pandals, etc., according to old custom; but no official of whatever rank, shall exert his influence to collect money or permit his subordinates to canvass for contributions from others or from the public for decorations or other preparations for His Highness' visit, but there is no objection to an officer making what contributions he likes towards the expenses involved.
3. Separate instructions will be issued to each Deputy Commissioner under which arrangements will be made for the provision at each halting place of suitable accommodation. If these arrangements will involve any expenditure of money, the Tutor and Governor to His Highness the Maharaja will furnish the Amildar with an advance of money both for such expenses and for the furnishing of camp supplies.
4. Each Amildar who will thus be furnished with an advance of money, must make cash payment for everything bought. The Amildar will be held personally responsible that the money reaches the hands of those who actually supply the articles.
5. The Amildar will be furnished with an indent of the kinds and quantities of articles required at each camp. This indent will serve as a voucher for his account and payment will be made by His Highness'

officers not merely for the quantities used but for everything ordered and provided. It is believed that supplies in excess of such indents will not ordinarily be required, and should not be collected by the Amildars.

6. If after His Highness' arrival it is found necessary to supplement such indents, the camp accountant will pay cash for the extra articles supplied and in all possible cases direct to the party who brings in the supply. To prevent unauthorized demands, Amildars should be instructed not to comply with any requisition made by menial servants.
7. His Highness the Maharaja will hold Durbars in all important places *en route* at which the principal residents, European and Native, Official and Non-Official, will be presented to His Highness. The several District Officers will prepare and forward to the Tutor and Governor, before the day fixed, lists of such gentlemen who may be so presented.
8. Deputy Commissioners and other officers concerned will correspond direct with the Tutor and Governor to His Highness in all matter relating to this tour.

Have no objn beyond issuing ~~these~~ instructions but they should in my opinion be more comprehensive and include all institutions — not temples alone — such as are bound by usage & otherwise to honour H H
